 - Head coaches are to meet before the scrimmage and discuss skill level and rotations (for instance, playing starters in the first series, new/younger players in the second series, if desired) to keep the games fun, competitive, and to encourage the development of new players.
 - Blitzing will be allowed if it is agreed upon between both head coaches involved in each specific game.
 - For many, this will be the first time ever playing competitive tackle football.
- **Scrimmage Format [U13 & U16]**

 - Each team will have two series of ten plays starting from the 40-yard line on offense.[10 offensive and 10 defensive plays, 40 total plays each game, no special teams]
 - Home team is to supply the game ball.
 - There is no stick crew or first downs. Just 10 plays from the 40 yard line.
 - If a touchdown is achieved then the next play is started at the 40-yard line with offense continuing with the ball until the end of the series. There are no conversions after touchdowns
 - A touchdown is scored as one point.
 - In the event of a turnover to defense (interception, fumble recovered by defense), the play is blown dead and teams move back to the 40-yard line and continue play up to the end of the 10-play series.
